JULY MISSION FOCUS

Your SUMC mission team has chosen Red Bird Clinic Community Health for the July monthly mission. This mission is part of the Engage MI advances chosen by the UM Michigan Conference. Red Bird Clinic empowers individuals and advocates justice by providing health programs for low-income, under-insured, and uninsured members of the Appalachian Mountain communities. They strive to improve the health of those living in remote areas where other services do not reach, or to persons that have limited or no transportation to available services since 1921.

Red Bird community programs focus on healthy lifestyle or prevention models, which have never been attainable due to generational poverty. Lack of education, chronic poverty, lack of jobs, poor housing, and rugged mountainous terrain provide obstacles to a fuller life for the residents of this area. These factors exacerbate poor health conditions needing extensive late stage treatment, follow up, and support for its clients. This mission focuses efforts on providing accessible education for all aged clients now receiving medical and dental services. With this mission, elderly have experienced a higher quality of life due to improved health requiring less acute medical care; which contributes to a healthier Appalachian Mountain community.

We had a wonderful time at VBS. The kids were on a quest all week looking for hidden lanterns. They have learned a key bible verse: "Arise! Shine! Your light has come: the Lord's glory has shone upon you!" (Isaiah 60:1). Each day they had different stations: Crafts, Story Time, Games, Snacks and most of the kids favorite...Science! They also had fun learning some songs and motions. We are thankful for all of the church volunteers who made vacation bible school possible. It was a great week!!

Thank you for your continued support for the SUMCC Day Care.

CARING MINISTRIES

“I have fought the good fight, I have finished the race, I have kept the faith”. 2 Timothy, 4:7

The Olympics are almost here. There will be many races and fights to the finish line.....swimming, running, equestrian, etc. Some will win gold, silver, or bronze medals. We applaud these top honors. All athletes are sent to finish their race. So, whether it’s gold or last we admire their accomplishment. We as Christians, pray that we keep the faith and that we finish well in our personal race.

What is harder to catch the faster you run?
Your breath!!

2021 SUMC Fair Booth Sign Up: PLEASE SIGN UP!!

Hello Everyone!!

Welcome back to the 2021 Berrien County Fair season and the Stevensville United Methodist Church Booth!! Please take a moment to click on the link below to see all the shifts and select which you would like! There are a couple of new features.

Without us knowing how many people will be visiting the fair, there are less people per shift, a reduced menu, and no seating to clean! Also, in Signup you will see shifts for prepping and packaging, moving equipment and supplies, unloading food and drinks (scouts only for this please), and the actual shifts! Kids are welcome, but anyone under 15 must have a chaperone/parent/etc.

Please wear your SUMC aqua t-shirts to shifts. If you are uncomfortable using signup, you don't have a t-shirt for your shift, or have questions; reach out to Mindi at SUMCFairBooth@gmail.com or 269-363-1661.

We are excited for a new year!!
