# PASTOR'S NOTE

## On Faith and Beach Picnics

This past week, my family and I took advantage of an afternoon of warm weather and headed for the beach. The water was still chilly, the wind kept us wrapped up in beach towels, but all of us were excited to be down by the water with the sun on our faces. My children ran along the shoreline, their feet splashing in the water. They chased seagulls and played in the sand. I sat in my beach chair, feeling grateful to live so close to such a beautiful piece of God's creation. That's when my seven year old came over with a question. "Mom! What did you pack for our picnic?!"

Sadly, I had not packed anything for this spur-of-the-moment trip to the beach. It was a chilly, last-minute adventure, and I was feeling pretty accomplished to have simply have our feet in the sand in mid-April. My child was not too enthused to find out we'd be going home to have the salmon I'd already prepped for dinner. I have raised someone who loves beach picnics at least as much as I do.

This Sunday, we'll be exploring one of my favorite stories of a beach picnic – a time when the disciples shared breakfast on the beach with the risen Christ, and leave that meal with a call to feed and nurture others. Join us as we continue our series "Rising Strong: Transformative Encounters with the Risen Christ."

### Greeting Card News!

We have been so blessed to have about 10 people coming each month to make the greeting cards that are being sent to our congregation members. With that many making cards, we find that we are making more than we need to send. So, I have asked, and been given permission from Caring Ministries, to set up a display where you can purchase greeting cards for your personal use. They will be \$3.00 each or 2 for \$5.00 which is much less expensive than purchasing them at Meijers or Walgreens. Also, if you would like a card for an extra special person or occasion, please let Sandy Hayes know and we will try to honor your request. As we get further into this activity there will be more subjects to choose from, but we need to start somewhere. The money generated from this activity will go toward helping to pay for the cost of the materials that we use for making the cards. If you have any questions, please talk to Sandy Hayes.

## CARING MINISTRIES

### Resurrection

As we finish our Easter season talking about the greatest resurrection, we see signs of renewal everywhere. The flowers are blooming, you can find trees and mushrooms rising out of the dead leaves, there are eggs in birds' nests, and tadpoles in what looks like empty waters.

As we read in 1 Corinthians 15: 36-38 & 42-44

*What you sow does not come to life unless it dies. When you sow, you do not plant the body that will be, but just a seed, perhaps of wheat or of something else. But God gives it a body as he has determined, and to each kind of seed he gives its own body.*

*So will it be with the resurrection of the dead. The body that is sown is perishable, it is raised imperishable; it is sown in dishonor, it is raised in glory; it is sown in weakness, it is raised in power; it is sown a natural body, it is raised a spiritual body.*

As spring brings it's resurrection of life, it is good to remember that Jesus died and was resurrected just as promised. We will also be part of his resurrection – thanks be to God!!

Dear Lord,

Please be with us as we enjoy your season of renewal. May we rejoice in the changes of the seasons, and the hope we have for the future. Thank you for your promise of final resurrection. Let us spread this good news in our world.

In Jesus' name,

Amen

## Faith Formation-MAY

As a new month begins, we gather with open hearts and expectant spirits. Faith Formation invites us to pause, reflect, and grow—together. Whether through study, conversation, journaling, or prayer, each gathering offers a chance to deepen our connection with God, discover fresh purpose, and share the journey with one another. Come explore, question, and be nourished by practices that awaken the soul and strengthen community.

 **Men's Group:** ⌚ Sundays at 9:00 AM • Room 1, Faith Hall -

**NEW STUDY WILL BEGIN APRIL 12, "CHRISTIANITY AND WORLD RELIGIONS" BY ADAM HAMILTON. THE STUDY WILL RUN FOR 6 WEEKS.**

 **Scripture of the Week** – with Pastor Elise Low Edwardson ⌚ Tuesdays at 2:00 PM • Location - Lounge

Ever wish you had more time to reflect on Sunday's message before it's preached? This gathering offers just that. Pastor Elise gently unpacks the week's scripture, offering context, insight, and space for conversation. It's a chance to engage with the Word ahead of time—so it can settle in your heart before it's proclaimed from the pulpit.

 **Pub Theology** ⌚ Tuesdays at 7:00 PM • The Watermark

Pull up a chair and join the conversation. Each week we dive into moral, ethical, theological, and philosophical topics in a relaxed, open setting. Bring your thoughts, your doubts, and your curiosity—no question is too big or too small.

 **Covenant Journaling** – ⌚ Thursdays at 11:30 AM • Lounge

Enter a sacred space of quiet reflection. With gentle, meditative music surrounding us, we journal our prayers, thoughts, and spiritual insights—whether through Bible journaling, faith journaling, or prayer journaling. We close with shared prayer practices that refresh the spirit and nourish the soul.

### **John The Gospel of Light and Life By Adam Hamilton**

The Gospel of John is the most deeply spiritual of the four gospels. This writing is filled with rich images and profound truths, but John notes that his aim in writing the gospel is that readers will not only believe in Jesus Christ, but that they "may have life in his name." ## MAY MISSION FOCUS

### **Arnoldine Mission Trip-Zimbabwe, Africa**

Thank you to the SUMC Mission Team for sponsoring the Arnoldine Mission Trip during the month of May. On July 16th, nine members of SUMC will be traveling to Zimbabwe, Africa to do work with our Living Beyond Hope partner Arnoldine School. During this trip we will help install a WiFi system and solar panels, do school maintenance and help finish apartments for traveling medical care workers. Another objective we have is to create connections and relationships that will continue to foster the relationship between SUMC and the Arnoldine Mission. In preparation for the trip, we are getting our vaccines updated, learning the very basics of their native Shona language as well as cultural customs that we need to be aware of. To establish and build relationships prior to arrival, we all have 'electronic pen pals' where we are communicating via What's App. This will allow us to hit the ground running and be as productive as possible upon arrival. We want to thank you all for your support through prayers, encouraging words and the various fund raisers that we've been doing the past few months. After we return, we will give a presentation to the congregation summarizing our experiences and accomplishments. Members that are attending are: Farai, Tendi & Tafadzwa Rukunda, Stan & Joni Dubbert, Ken Green, Mike Farrington, Pastor Elise and David Stroud. We also want to recognize our project manager Mindy Logan who is keeping everyone organized and on track.
